TABLE OF CONTENTS

1 General

1.1 Introduction

Disclaimer: The Billing Instructions Form Locator information enclosed are for the use of paper claim submission only. For Electronic claim submission information, please utilize the Companion Guides found at www.kymmis.com under Companion Guides and EDI Guides.

These instructions are intended to assist persons filing claims for services provided to Kentucky (KY) Medicaid Members. Guidelines outlined pertain to the correct filing of claims and do not constitute a declaration of coverage or guarantee of payment.

Policy questions should be directed to the Department for Medicaid Services (DMS). Policies and regulations are outlined on the DMS website at:

https://chfs.ky.gov/agencies/dms/Pages/default.aspx

Fee and rate schedules are available on the DMS website at:

https://chfs.ky.gov/agencies/dms/Pages/feesrates.aspx

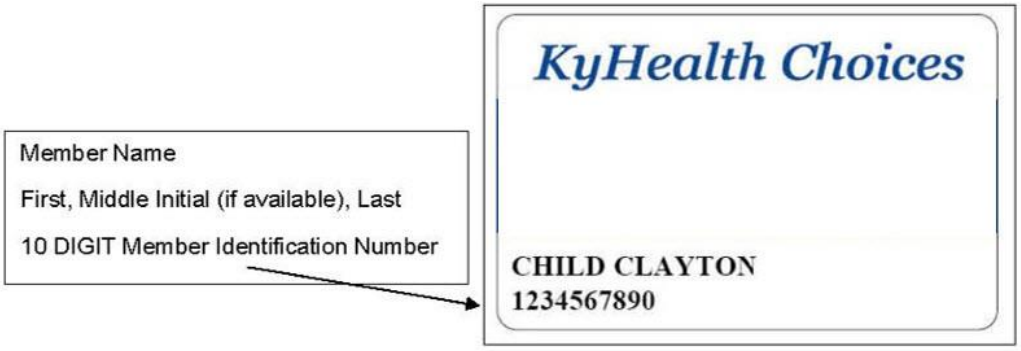
1.2 Member Eligibility

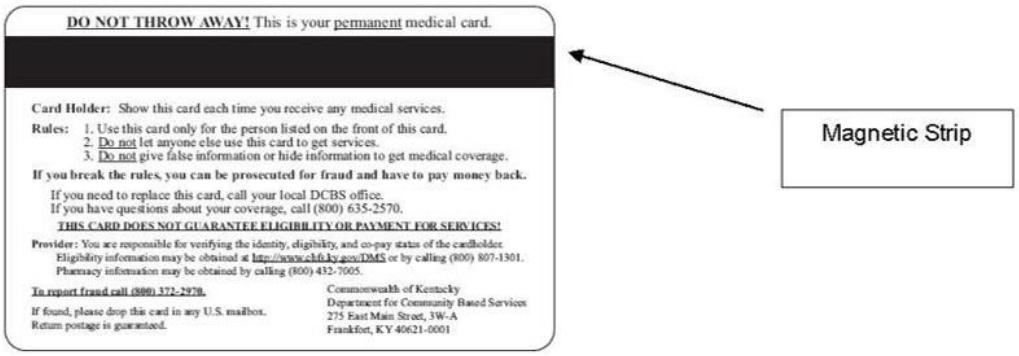
Members should apply for Medicaid eligibility through kynect (kyenroll.ky.gov) by phone at 1-855-4kynect (1-855-459-6328) or in person at their local Department for Community Based Services (DCBS) office. Members with questions or concerns can contact Member Services at 1-800-635-2570, Monday through Friday. This office is closed on holidays.

The primary identification for Medicaid-eligible members is the Kentucky Medicaid card. This is a permanent plastic card issued when the Member becomes eligible for Medicaid coverage. The name of the member and the member's Medicaid identification (ID) number are displayed on the card. The provider is responsible for checking identification and verifying eligibility before providing services.

Note: Payment cannot be made for services provided to ineligible members. Possession of a member identification card does not guarantee payment for all medical services.

1.2.1 Plastic Swipe KY Medicaid Card





Providers who wish to use the card's magnetic strip to access eligibility information may do so by contracting with one of several vendors.

1.2.2 Member Eligibility Categories

1.2.2.1 QMB and SLMB

Qualified Medicare Beneficiaries (QMB) and Specified Low-Income Medicare Beneficiaries (SLMB) are members who qualify for both Medicare and Medicaid. In some cases, Medicaid may be limited. QMB members have Medicare and full Medicaid coverage, as well. QMB-only members have Medicare, and Medicaid serves as a Medicare supplement only. A member with SLMB does not have Medicaid coverage; Kentucky Medicaid pays a "buy-in" premium for SLMB members to have Medicare but offers no claims coverage.

1.2.2.2 Managed Care Partnership

Medical benefits for persons whose care is overseen by a Managed Care Organization (MCO) are similar to those of Kentucky Medicaid, but billing procedures and coverage of some services may differ. Providers with MCO questions should contact the respective MCO provider services:

- Passport Health Plan (now known as Molina) at 1-800-578-0775
- WellCare of Kentucky at 1-877-389-9457
- Humana Healthy Horizons in Kentucky at 1-800-444-9137
- Anthem Blue Cross Blue Shield at 1-800-880-2583
- Aetna Better Health of KY at 1-855-300-5528
- United Health Care at 1-866-633-4449

1.2.2.3 KCHIP

The Kentucky Children's Health Insurance Program (KCHIP) provides coverage to children through age 18 who have no insurance and whose household income meets program guidelines. Children with KCHIP III are eligible for all Medicaid-covered services except Non-Emergency Transportation and Early Periodic Screening, Diagnosis, and Treatment (EPSDT) Special Services. Regular KCHIP children are eligible for all Medicaid-covered services.

For more information, access the KCHIP website at http://kidshealth.ky.gov/en/kchip.

1.2.2.4 Presumptive Eligibility

Presumptive Eligibility (PE) is a program that offers certain individuals and pregnant women temporary medical coverage. A treating physician or hospital may issue an Identification Notice to an individual if it is determined that the individual meets the criteria as described below. PE benefits are in effect up to 60 days from the date the Identification Notice is issued, or upon denial or issuance of Medicaid. The 60 days includes current month through end of the next month. This short-term program is intended to allow financially needy individuals to have access to medical services while they are completing the application process for full Medicaid benefits.

Reimbursement for services is different for presumptively eligible individuals depending on the method by which eligibility is granted. The two types of PE are as follows:

- PE for pregnant women
- PE for hospitals

1.2.2.5 Breast & Cervical Cancer Treatment Program

The Breast & Cervical Cancer Treatment Program (BCCTP) offers Medicaid coverage to women who have a confirmed cancerous or pre-cancerous condition of the breast or cervix. In order to qualify, women must be screened and diagnosed with cancer by the Kentucky Women's Cancer Screening Program, be between the ages of 21 and 65, have no other insurance coverage, and not reside in a public institution. The length of coverage extends through active treatment for the breast or cervical cancer condition. Those members receiving Medicaid through BCCTP are entitled to full Medicaid services. Women who are eligible through BCCTP do not receive a Medicaid card for services. The enrolling provider will provide a printed document that is to be used in place of a card.

1.2.3 Verification of Member Eligibility

This section covers:

- Methods for verifying eligibility
- How to verify eligibility through an automated 800 number function
- How to use other proofs to determine eligibility
- What to do when a method of eligibility is not available

1.2.3.1 Obtaining Eligibility and Benefit Information

Eligibility and benefit information is available to providers via the following:

- Voice Response Eligibility Verification (VREV) available 24 hours/7 days a week at 1-800-807-1301
- KY HealthNet at https://home.kymmis.com
- The Department for Medicaid Services, Member Eligibility Branch at 1-800-635-2570, Monday through Friday, except holidays

1.2.3.1.1 Voice Response Eligibility Verification

Gainwell Technologies maintains a VREV system that provides member eligibility verification, as well as information regarding third party liability (TPL), Managed Care, PRO review, card issuance, co-pay, provider check write, and claim status.

The VREV system-generally processes calls in the following sequence:

1. Greet the caller and prompt for mandatory provider ID.

2. Prompt the caller to select the type of inquiry desired (eligibility, TPL, Managed Care, PRO review, card issuance, co-pay, provider check write, claim status, etc.).
3. Prompt the caller for the dates of service (enter four-digit year, for example, MMDDCCYY).
4. Respond by providing the appropriate information for the requested inquiry.
5. Prompt for another inquiry.
6. Conclude the call.

This system allows providers to take a shortcut to information. Users may key the appropriate responses (such as provider ID or member ID) as soon as each prompt begins. The number of inquiries is limited to five per call. The VREV spells the member name and announces the dates of service. Check amount data is accessed through the VREV voice menu. The Provider's last three check amounts are available.

1.2.3.1.2 KY HealthNet Online Member Verification

KY HealthNet online access can be obtained at https://home.kymmis.com. The KY HealthNet website is designed to provide real-time access to member information. Providers can download a User Manual to assist providers in system navigation. Providers with suggestions, comments, or questions should contact the Gainwell Electronic Claims Department at KY_EDI_Helpdesk@gainwelltechnologies.com or 1-800-205-4696.

All member information is subject to Health Insurance Portability and Accountability Act (HIPAA) privacy and security provisions, and it is the responsibility of the provider and the provider's system administrator to ensure all persons with access understand the appropriate use of this data. It is suggested that providers establish office guidelines defining appropriate and inappropriate uses of this data.

2 Electronic Data Interchange

Electronic Data Interchange (EDI) is structured business-to-business communications using electronic media rather than paper.

2.1 How to Get Started

All Providers are encouraged to utilize EDI rather than paper claims submission. To become a business-to-business EDI Trading Partner or to obtain a list of Trading Partner vendors, contact the Gainwell Electronic Data Interchange Technical Support Help Desk at:

Gainwell Technologies
P.O. Box 2100
Frankfort, KY 40602-2100
1-800-205-4696

Help Desk hours are between 7:00 a.m. and 6:00 p.m. Monday through Friday, except holidays.

2.2 Format and Testing

Contact the EDI Technical Support Help Desk at the phone number listed above for specific testing instructions and requirements.

2.3 Electronic Claims Submission Help

Providers with questions regarding electronic claims submission (ECS) may contact the EDI Help desk.

3.2 KY HealthNet Companion Guides

http://www.kymmis.com/kymmis/Provider%20Relations/KYHealthNetManuals.aspx

4 General Billing Instructions for Paper Claim Forms

4.1 General Instructions

The Department for Medicaid Services is mandated by the Centers for Medicare and Medicaid Services (CMS) to use the appropriate form for the reimbursement of services. Claims may be submitted on paper or electronically.

4.2 Imaging

All paper claims are imaged, which means a digital photograph of the claim form is used during claims processing. This streamlines claims processing and provides efficient tools for claim resolution, inquiries, and attendant claim-related matters.

By following the guidelines below, providers can ensure claims are processed as they intend:

- USE BLACK INK ONLY
- Do not use glue
- Do not use more than one staple per claim
- Press hard to guarantee strong print density if the claim is not typed or computer generated
- Do not use white-out or shiny correction tape
- Do not send attachments smaller than the accompanying claim form

4.3 Optical Character Recognition

Optical Character Recognition (OCR) eliminates human intervention by sending the information on the claim directly to the processing system, bypassing data entry. OCR is used for computer generated or typed claims only. Information obtained mechanically during the imaging stage does not have to be manually typed, thus reducing claim processing time. Information on the claim must be contained within the fields using font 10 as the recommended font size in order for the text to be properly read by the scanner.

5 Additional Information and Forms

5.1 Claims with Dates of Service More than One Year Old

In accordance with federal regulations, claims must be received by Medicaid no more than 12 months from the date of service, or six months from the Medicare or other insurance payment date, whichever is later. "Received" is defined in 42 CFR 447.45 (d) (5) as "The date the agency received the claim as indicated by its date stamp on the claim."

Kentucky Medicaid includes the date received in the Internal Control Number (ICN). The ICN is a unique number assigned to each incoming claim and the claim's related documents during the data preparation process. Refer to Appendix A for more information about the ICN.

For claims more than 12 months old to be considered for processing, the provider must attach documentation showing timely receipt by DMS or Gainwell and documentation showing subsequent billing efforts, if any.

To process claims beyond the 12 month limit, you must attach to each claim form involved, a copy of a Claims in Process, Paid Claims, or Denied Claims section from the appropriate Remittance Statement no more than 12 months old, which verifies that the original claim was received within 12 months of the service date. Proof of timely filing documentation must show that the claim has been received and processed at least once every twelve month period from the service date.

Additional documentation that may be attached to claims for processing for possible payment is:

- A screen print from KY HealthNet verifying the eligibility issuance date and eligibility dates must be attached behind the claim
- A screen print from KY HealthNet verifying filing within 12 months from the date of service, such as the appropriate section of the Remittance Advice (RA) or from the Claims Inquiry Summary Page (accessed via the Main Menu's Claims Inquiry selection)
- A copy of the Medicare Explanation of Medicare Benefits received 12 months after service date but less than six months after the Medicare adjudication date
- A copy of the commercial insurance carrier's Explanation of Benefits (EOB) received 12 months after service date but less than six months after the commercial insurance carrier's adjudication date

5.2 Retroactive Eligibility (Back-Dated) Card

Aged claims for members whose eligibility for Medicaid is determined retroactively may be considered for payment if filed within one year from the eligibility issuance date. Claim submission must be within 12 months of the issuance date. A copy of the KY HealthNet card issuance screen must be attached behind the paper claim.

5.3 Unacceptable Documentation

Copies of previously submitted claim forms, providers' in-house records of claims submitted, or letters detailing filing dates are not acceptable documentation of timely billing. Attachments must prove the claim was received in a timely manner by Gainwell.

5.4 Third Party Coverage Information

5.4.1 Commercial Insurance Coverage (this does NOT include Medicare)

When a claim is received for a member whose eligibility file indicates other health insurance is active and applicable for the dates of services, and no payment from other sources is entered on the Medicaid claim form, the claim is automatically denied unless documentation is attached.

5.4.2 Documentation that May Prevent a Claim from Being Denied for Other Coverage

The following forms of documentation prevent claims from being denied for other health insurance when attached to the claim.

1. Remittance statement from the insurance carrier that includes:
   a. Member name
   b. Date(s) of service
   c. Billed information that matches the billed information on the claim submitted to Medicaid

   and

   d. An indication of denial or that the billed amount was applied to the deductible

   Note: Rejections from insurance carriers stating "additional information necessary to process claim" is not acceptable.
2. Letter from the insurance carrier that includes:
   a. Member name
   b. Date(s) of service(s)
   c. Termination or effective date of coverage (if applicable)
   d. Statement of benefits available (if applicable)

   and

   e. The letter must have the signature of the insurance representative or be on the insurance company's letterhead
3. Letter from a provider that states they have contacted the insurance company via telephone. The letter must include the following information:
   a. Member name
   b. Date(s) of service
   c. Name of insurance carrier
   d. Name of and phone number of insurance representative spoken to or a notation indicating a voice automated response system was reached
   e. Termination or effective date of coverage

   and

   f. Statement of benefits available (if applicable)
4. A copy of a prior remittance statement from an insurance company may be considered an acceptable form of documentation if it is:
   a. For the same member
   b. For the same or related service being billed on the claim

and

c. The date of service specified on the remittance advice is no more than six months prior to the claim's date of service

Note: If the remittance statement does not provide a date of service, the denial may only be acceptable by Gainwell if the date of the remittance statement is no more than six months from the claim's date of service.

5. Letter from an employer that includes:
   a. Member name
   b. Date of insurance or employee termination or effective date (if applicable)

   and

   c. Employer letterhead or signature of company representative

5.4.3 When there is No Response within 120 Days from the Insurance Carrier

When the other health insurance has not responded to a provider's billing within 120 days from the date of filing a claim, a provider may complete a TPL Lead Form. Write "no response in 120 days" on either the TPL Lead Form or the claim form, attach it to the claim and submit it to Gainwell. Gainwell overrides the other health insurance edits and forwards a copy of the TPL Lead Form to the TPL Unit. A member of the TPL staff contacts the insurance carrier to see why they have not paid their portion of liability.

5.4.4 For Accident and Work-Related Claims

For claims related to an accident or work-related incident, the provider should pursue information relating to the event. If an employer, individual, or an insurance carrier is a liable party but the liability has not been determined, claims may be submitted to Gainwell with an attached letter containing any relevant information, such as, names of attorneys, other involved parties, and/or the member's employer to:

5.6 Prior Authorization Information

Please consider the following regarding Prior Authorization:

- The prior authorization process does NOT verify anything except medical necessity; it does not verify eligibility or age
- The prior authorization letter does not guarantee payment; it only indicates that the service is approved based on medical necessity
- If the individual does not become eligible for Kentucky Medicaid, loses Kentucky Medicaid eligibility, or ages out of the program eligibility, services will not be reimbursed despite having been deemed medically necessary
- Prior Authorization should be requested prior to the provision of services except in cases of:
  - Retro-active member eligibility
  - Retro-active provider number
- Providers should always completely review the Prior Authorization Letter prior to providing services or billing

Access the KY HealthNet website to obtain blank Prior Authorization forms:

http://www.kymmis.com/kymmis/Provider%20Relations/PriorAuthorizationForms.aspx

Access to an Electronic Prior Authorization (EPA) request through:

5.7 Adjustments and Void Requests

An adjustment is a change to be made to a “PAID” claim. The mailing address for the Adjustment and Void Request Form is:

Gainwell Technologies
P.O. Box 2108
Frankfort, KY 40602-2108
Attn: Financial Services

Please keep the following points in mind when filing an adjustment request:

- Attach a copy of the corrected claim and the paid remittance advice page to the adjustment form
  - For a Medicaid/Medicare crossover, attach an Explanation of Medicare Benefits (EOMB) to the claim
- Do not send refunds on claims for which an adjustment has been filed
- Be specific, explain exactly what is to be changed on the claim
- Claims showing paid zero-dollar amounts are considered paid claims by Medicaid; if the paid amount of zero is incorrect, the claim requires an adjustment
- An adjustment is a change to a paid claim; a claim credit simply voids the claim entirely

7 Prior Authorization Guide

The Orthodontic program provides specific services to KY Medicaid members. Coverage is specifically for members requiring orthodontic treatment, when medically necessary, to correct handicapping malocclusions. All services through this program are reviewed by orthodontic consultants to verify medical necessity.

7.1 Initial Submission

When submitting an "Initial Request" the following information must be provided:

- MAP-9: Prior Authorization Form
  - D8660 – Record/Consultation Fee
  - D8670 – Fee for Fixed Appliance Therapy (full fee)
- MAP-9A: Provider Agreement (must be signed by provider)
- MAP-396: Orthodontic Evaluation Form
- Cephalometric X-ray (with tracing)
- Panoramic X-ray
- Models – properly occluded and trimmed, carefully wrapped
- External facial pictures – frontal and profile views
- Intraoral picture – frontal, right, and left lateral views
- Members whose cases require any orthographic surgical procedures must have been referred to an oral surgeon for an oral surgery pre-treatment work-up and the resulting oral surgery work-up notes must be in the initial submission

Note: All the above-mentioned items must be submitted in the same package.

- All records need to be current, within the prior six months, labeled with the patient's first and last name; the provider's name must also be present
- Pictures, X-rays, and treatment plans must be clear and readable
- The prior authorization begin date is the Record/Examination date on the MAP-396
  - Upon review by an Orthodontic consultant, if all criteria and guidelines are met, two-thirds (2/3) of the maximum allowable fee are approved

Note: After receiving Orthodontic authorization and banding has been initiated, send a completed claim form to Gainwell with two-thirds (2/3) of the provider's total fee for records. *Regarding PA Form*: These forms require a delegated or authorized signature, with the exception of the MAP9A, which must be signed by the provider. Stamped signatures are not accepted.

7.2 Six Month Progress Report

When the provider requests a prior authorization for a Six Months Progress Report, the following information is required:

- MAP-559: Six Month Orthodontic Progress Report
- MAP-9: Prior Authorization Form

Procedure code D8999 – the fee is one-third of the provider's total treatment fee. Each visit needs to be summarized in a brief but detailed manner. The simple use of the term "adjustment" is not acceptable. The progress report should be submitted after six months of active treatment has been completed. The month after the banding date is considered the first active treatment month. After receiving authorization, submit the completed claim form to Gainwell with one-third of provider's total fee.

Note: Submissions for prior authorization or the final third of payment should be made no less than six months and no more than 12 months after the banding date of service. Monthly visits are to be no less than three weeks in frequency.

Procedure code D8999 can be approved if all criteria and guidelines have been met after review by the Orthodontic consultant. The approved amount is one-third of the maximum allowable fee. The prior authorization begin date is the banding date on the MAP-559.

7.3 Final Case Submissions

Regarding the statement, "If member is enrolled with a managed care region on date of final records, final records must be submitted to the member's partnership," final case submissions consist of the following:

MAP-700	Orthodontic Final Case Submission Form Description of completed treatment. Was treatment completed according to treatment plan? If the treatment plan was modified, explain why.
MAP-9	Prior Authorization for Health Services (if billing for final records)
Beginning records (including models)	
Ending records (including models)	
The member must be under 21 years of age and KY Medicaid eligible to be paid for procedure code D8660 record fee. The date of service is the finished date on the MAP-700 form.	

If all criteria and guidelines are met, final records may be approved for date of service. This procedure code is limited to one per 12 months per member.

7.4 Fixed and Removable Appliance Therapy

The following prior authorization information shall be submitted:

- MAP 396, KY Medicaid Orthodontic Form

KENTUCKY MEDICAID PROGRAM ORTHODONTIC SERVICES AGREEMENT

The Kentucky Medicaid Program and

_____

a participating provider of orthodontic services, mutually agree to the following:

1. Comprehensive orthodontic services have been pre-authorized for _____ _____ a currently eligible Medicaid Member;
2. In return for an initial fee as specified by the Department for Medicaid Services, and effective upon receipt of such fee, the above-named provider agrees to provide the pre-authorized treatment as specified in the approved treatment plan:
3. If the Member moves from the initial provider's medical service area after the banding and appliances are placed, making necessary a change in providers, the initial provider agrees to submit
   a patient referral form accompanied by a letter outlining treatment status: 1) dates seen, 2) treatment given, 3) progress made with prorated fee to SHPS. This information is used by the orthodontic consultants to determine a prorated fee for the services provided;
4. As part of the aforementioned initial fee, the provider agrees to provide, at no additional cost to the Department or the Member, all retainers necessary to complete the Phase of treatment;
5. Pre-authorizations are not approved unless the Member's teeth have been properly cleaned and all general dentistry, that is, fillings, root canals, etc., have been completed;
6. If the Member or former Member fails to return for the visits, the provider must initiate three (3) written contacts, or two (2) written and two (2) verbal (telephone) contacts, with the patient and/or his/her family, to solicit the patient's return to treatment. The final contact must be by certified
   letter with the returned receipt retained in the patient record. If a patient fails to respond to the contacts, the provider is relieved of the responsibility for providing retention services unless the patient returns for such services within (6) months of the last contact by the provider;
7. The provider submits to the Medicaid Program beginning and finished records consisting of: a panoramic x-ray, a cephalometic x-ray with tracing , intraoral and extraoral facial pictures (both frontal and profile), and properly occluded and trimmed models at the conclusion of the required course of treatment Failure to submit finished records within three months after completion of treatment results in a request for recoupment of payments made to the provider. Additional measures may be made to remove the provider from the Orthodontic Program.

9 Appendix B – Remittance Advice

This section is a step-by-step guide to reading a Kentucky Medicaid Remittance Advice (RA). The following sections describe major categories related to processing/adjudicating claims. To enhance this document's usability, detailed descriptions of the fields on each page are included, reading the data from left to right, top to bottom.

9.1 Examples of Pages in a Remittance Advice

There are several types of pages in a Remittance Advice, including separate page types for each type of claim; however, if a provider does not have activity in that particular category, those pages are not included.

Following are examples of pages which may appear in a Remittance Advice:

FIELD	DESCRIPTION
Returned Claims	This section lists all claims that have been returned to the provider with a Return to Provider (RTP) letter. The RTP letter explains why the claim is being returned. These claims are returned because they are missing information required for processing.
Paid Claims	This section lists all claims paid in the cycle.
Denied Claims	This section lists all claims that denied in the cycle.
Claims In Process	This section lists all claims that have been suspended as of the current cycle. The provider should maintain this page and compare it with future Remittance Advices until all the claims listed have appeared on the PAID CLAIMS page or the DENIED CLAIMS page. Until that time, the provider need not resubmit the claims listed in this section.
Adjusted Claims	This section lists all claims that have been submitted and processed for adjustment or claim credit transactions.
Mass Adjusted Claims	This section lists all claims that have been mass adjusted at the request of the Department for Medicaid Services (DMS).
Financial Transactions	This section lists financial transactions with activity during the week of the payment cycle. **Note:** It is imperative the provider maintains any A/R page with an outstanding balance.
Summary	This section details all categories contained in the Remittance Advice for the current cycle, month to date, and year to date. Explanation of Benefit (EOB) codes listed throughout the Remittance Advice is defined in this section.
EOB Code Descriptions	EOB codes which appear in the RA are defined in this section.

Note: For the purposes of reconciliation of claims payments and claims resubmission of denied claims, it is highly recommended that all remittance advices be kept for at least one year.
